Omkar Dattatray Jadhav - Frontend Developer

+91 9130360347 | omkarjadhav9441@gmail.com | Pune, Maharashtra.

Professional Summary

A **passionate and experienced Frontend Developer**, specializing in **ReactJS** and adept at building **high-quality**, **innovative**, and fully performing **web applications**. Proficient in **converting Figma designs into responsive web pages**, I excel at taking products from ideation to delivery, **owning the development process**, and collaborating effectively with team members. Currently enhancing my skills and gaining additional experience through an **internship**.

Skills

Frontend: JavaScript, HTML5, CSS3, Bootstrap, ReactJS, Tailwind CSS, WordPress
Backend: PHP (Basic knowledge)
Database: MySQL (RDBMS)
Tools: VS Code, GitLab, FileZilla
UI/UX & Graphic Design: Figma

Experience

White Code Technology Solutions Pvt. Ltd., Pune.   **May 2024 - Present**
Software Developer - Intern

- **Developed web applications** for colleges, aiding organizations in collecting and managing college information while ensuring **compliance with WCAG (Web Content Accessibility Guidelines)**.
- **Created responsive websites** using **HTML, CSS, and JavaScript**, delivering seamless user experiences across devices and platforms, and utilizing the **Bootstrap framework** for expedited development and consistent design patterns.
- **Managed content** and optimized websites using CMS, ensuring smooth operation and efficient content updates. Performed **CRUD operations** for Student Admissions, Staff Information, and Alumni Registration, and worked with **MySQL databases** using the **MVC architecture** for efficient development.
- **Developed backend functionality** using **PHP**, focusing on models and controllers, and used **ReactJS** for frontend development to build **responsive and dynamic user interfaces**.

Projects

WhiteCode CMS (Content Management System)
Full-stack Developer   **June 2024 – Present**
Technologies Used: Angular.js, React.js, Tailwind CSS, PHP, MySQL

- Designed and implemented the project structure for the Admin dashboard and college setup modules.
- Developed React components and pages for the admin interface.
- Implemented form validation and state management, ensuring error-free user input.
- Adhered to best Git practices, ensuring clean commits and pull request management.
- Delivered a highly performant web application using server-side rendering and a static site generator.

College Websites
Frontend Developer   **May 2024 – June 2024**
Project Names:

- Wadhwani College of Pharmacy
- Shrimant Shivajiraje English School, Phaltan (SSC)

Technologies Used: HTML5, CSS3, Bootstrap, JavaScript, Figma

- Designed and implemented the project structure and the Home page.
- Managed the project from start to finish, meeting all milestones.
- Created additional pages using the CMS.
- Delivered bug-free, fully functional websites adhering to WCAG standards.
- Improved page load speeds by 30% using optimized CSS and JavaScript.

Personal Projects

Social Media Project
Technologies Used: React.js, HTML, CSS, Bootstrap.

- Integrated **DummyAPI** to dynamically fetch and display posts, enhancing user engagement.
- Implemented functionality to add new posts using **useState** and **useReducer** for **effective state management**.
- Leveraged React hooks like **useEffect**, **useRef**, and **useContext** for efficient component **lifecycle management** and **context sharing**.
- Incorporated **React Router** to enable **seamless navigation** across the application.

Myntra Clone
Technologies Used: React.js, Redux, HTML, CSS, Bootstrap, Node.js.

- Integrated **Redux** for **advanced state management** using **useSelector**, **useReducer**, **useEffect**, and **useDispatch** for smooth data flow and updates.
- Developed a **Myntra-like** project with a **Node.js backend**, fetching data from a **local server** for dynamic and responsive content.
- Utilized **useContext** to **share state across components**, managing application-wide settings efficiently.
- Implemented **React Router** for dynamic routing and smooth navigation, ensuring a **user-friendly interface**.

Education

- **SSC**   **June 2015 – May 2016**

    Kolhapur Board, Sou. Devibai Narayandas Chhabada Rural Education Society, Satara

    Percentage: 71.80%

- **Diploma (Civil)**   **June 2016 – April 2019**

    M.S.B.T.E, K.B.P. Polytechnic, Satara.

    Percentage: 83.70%

- **B.E (Civil)**   **June 2019 – May 2022**

    S.P.P.U University, Pimpri Chinchwad College of Engineering And Research Ravet.

    CGPA: 8.91
